Low

Possible Petroleum Refinery at Nadvornaya

25X1D

232

48 38 N - 24 33 E

Materials

Petroleum

A small refinery was reported to have been operating here when the territory belonged to Poland. Confirmation or denial of such existence is desired. If a refinery does exist, report (by sketch) the locations, numbers, and sizes of the following types of equipment:

- (1) Shell stills
- (2) Pipe stills
- (3) Cracking units
- (4) Storage tanks
- (5) Power plant.

Cloud covered

25X1D

(For typical photos of some of this equipment, see Air Force Manual, AFM 200-18, 1 Nov. 1955, Intelligence Collection Guidance Manual, Fuels, Lubricants and Rocket Propellants, pp. 21-72, Confidential).
